UF | Dual Enrollment UNIVERSITY of FLORIDA

# Award of Incoming Advanced Placement Course Credit

**Directions:** Visit https://catalog.ufl.edu/UGRD/academic-advising/exam-credit/#examstext and select the type (IP, IB, AICE, etc.) of advance placement classes you have completed in high school. Then, fill in the table below to learn what courses you already have college credit for (score of 2 or less on an exam do not earn college credit, therefore you may wish to retake the course).

Once you have this information, you will be better informed to select courses that are appropriate for you to complete via Dual Enrollment. A reasonable goal is to complete at least 2 courses in each State Core category. For questions with this form, email dual-enrollment@dce.ufl.edu

| Advance Placement Course | Score on Exam | Equivalent College Course(s) | Type of State Core General Education Credit |

**State Core Gen Ed Key: B: Biological Sciences, P: Physical Science, M: Mathematics, H: Humanities C: Composition, S: Social Sciences. UF Core Gen Ed: N: International, D: Diversity**

Notes: Acceptable dual enrollment and other transfer credit will fulfill the General Education requirements that the same UF course fulfills if the course is equivalent. Courses from Florida public colleges and State University System schools generally adhere to the Statewide Course Numbering System. If the prefix (first three letters) and the last three digits of the course number are the same, then the course is considered equivalent.
